

18th Annual Children's Fishing Clinic

May 31, 2013

Greetings:

The 18th Annual Children's Fishing Clinic is scheduled for Saturday, July 20th, 2013 from 8:00am-12:00pm and your organization and youth has been invited. The Children's Fishing Clinic is a great group event for youth to learn about the sport of fishing, interact with caring adults and have fun with their peers on the pier. Fishing equipment, instruction and lunch will be provided.

Your organization is responsible for the following if attending the event:

-Assign one adult as group leader. This person must be able to attend the mandatory event orientation meeting and serve as primary point of contact between event planners and the group. The meeting is scheduled for Wednesday, July 17 at 5:00 pm at South Morrison Family Education Center (746 Adams Dr, Newport News, VA 23601). Important information regarding the event will be reviewed during this meeting as well as the distribution of event t-shirts for youth and chaperones.

-Select youth between the ages of 8 and 12 years old (preferably youth who have not attended the Clinic before) to invite. Hand out and receive completed Registration and Consent forms for each selected youth participant that will attend with the group. Only youth with completed forms signed by parents or guardians will be allowed to participate.

-Provide 1 adult chaperone for every 5 youth that are registered to attend with the group. Chaperones will be permitted onto the pier without charge and are expected to remain with the group and assist with their enjoyment of the event. Any additional adults outside of the allotted chaperones are welcome to attend the event, however, will be charged to enter onto the pier. All adults are welcome to lunch.

-Turn in complete group packet (completed registration and consent forms for each youth and chaperone list) NO LATER THAN July 2, 2013 to

Newport News Parks, Recreation & Tourism
Attention: Fishing Clinic Registration
700 Town Center Drive, Ste. 320
Newport News, VA 23606
